## **Puppy/Dog Ownership Application**

Completion of this application is mandatory if you wish to obtain a puppy/dog from Sapphire Akitas. This will help us select the right puppy/dog for you and your family. As with most show dog breeders, the final decision for placement of each puppy/dog is made by the breeder.

Any puppy/dog sold as a companion will be sold on a spay/neuter contract.

All information contained in this application is confidential.

We greatly appreciate your interest in our kennel and our dogs.
